CELEBRATING 35 YEARS

James Bleak

Salt Lake City, Utah

Start date: July 1978

Original position:

Hardware Design Engineer,
Commercial Visual Simulation

Current position: Systems Engineer,
GS SLC Engineering

What is your proudest accomplishment at Rockwell Collins? I have been most fortunate to be able to work with a talented team of engineers and managers to provide industry-leading visual sensor simulation capabilities on the EP-80/8000 image generators throughout my career.

CELEBRATING 35 YEARS

Cindy Colton

Tustin, Calif.

Start date:

October 1978

Original position: Clerical Assistant,
College Relations, Human Resources

Current position:

Regional HR Business Partner, CS

What is your favorite aspect of your current position? My favorite aspect of being a Business Partner is that it presents itself with challenging as well as exciting opportunities to work with people. This position, along with past Human Resources positions I have held, has allowed me to create wonderful personal and professional relationships.
