

*Being a trusted source means being “trustworthy” – and whether you are a new employee or have worked at Rockwell Collins for a while... none of us should take this obligation lightly.*

*– Greg Churchill*

*Executive Vice President  
and Chief Operating Officer  
Government Systems*

## Ethics is good business

If you have knowledge of any activity that may be a violation of the Company’s Standards of Business Conduct, you should report the matter to your supervisor, another member of management, Human Resources or the Ombudsman.
