**List of Applicable Flight Management Computer (FMC) Part Numbers
April 8, 2019**

***Bolded lines** indicate additions since the previous *List of Applicable FMC Part Numbers, dated August 1, 2016*. This document was updated on April 8, 2019 to add new Type 61 part number to AFD-3710 section (page 2).

Customer Reference updates since last LOA approved list of March 15, 2019.
None

The following database types will load into the Pro Line Fusion CCM-5110 (IPS-5000/6000):

Type 31 (00030001) Nav Database Disk Specs CPN 832-9309-005
Type 00040002 (42) Nav Database Disk Specs CPN 832-9309-007
Type 00060001 (61) Nav Database Disk Specs CPN 832-9309-009

The database types will be used with:

FMSA-4500, FMSA-6000 and FMSA-6010 Flight Management System Application software.
