In the event of a continuation, an equitable adjustment, in accordance with the principles of the Changes clause, shall be made to the price, delivery schedule, or other provision affected by the Work stoppage, if applicable, provided that the claim for equitable adjustment is made within thirty (30) days after such continuation.

34. Survivability

If this Contract is terminated for default or convenience, SELLER shall not be relieved of those obligations contained in this Contract for the following provisions:

(a) Applicable Laws
   Export Control Compliance
   Independent Contractor
   Relationship
   Confidentiality
   Insurance and Liability to Third Parties
   Intellectual Property
   Limitation of Liability
   Release of Information
   Warranty

(b) Those U.S. Government flowdown provisions that, by their nature, should survive.

35. Termination for Convenience

(a) For specially performed Work, ARINC may terminate part or all of this Contract for its convenience by giving written notice to SELLER. ARINC’s only obligation shall be to pay SELLER a percentage of the price reflecting the percentage of the Work performed prior to the notice of termination, plus reasonable charges that SELLER can demonstrate to the satisfaction of ARINC using generally accepted accounting principles, that have resulted from the termination. SELLER shall not be paid for any Work performed or costs incurred that reasonably could have been avoided.

(b) In no event shall ARINC be liable for lost or anticipated profits, unabsorbed indirect costs or overhead, or any sum in excess of the total Contract price. SELLER’s termination claim shall be submitted within ninety (90) days from the effective date of the termination.

(c) For other than specially performed Work, ARINC may terminate part or all of this Contract for its convenience by giving written notice to SELLER and ARINC’s only obligation to SELLER shall be payment of a mutually agreed-upon restocking or service charge.

(d) SELLER shall continue all Work not terminated.

36. Timely Performance

(a) Time is of the essence in this Contract. SELLER’s timely performance is a critical element of this Contract.

(b) Unless advance shipment has been authorized in writing by ARINC, ARINC may store, at SELLER’s expense, or return, shipping charges collect and at SELLER’s risk, all Work received in advance of the scheduled delivery date.

(c) If SELLER becomes aware of difficulty in performing the Work, SELLER shall promptly notify ARINC, in writing, giving pertinent details. This notification shall not change any delivery schedule.

(d) In the event of a termination for convenience or change, no claim will be allowed for any manufacture or procurement in advance of SELLER’s normal flow time unless ARINC has given prior written consent.

37. Waiver and Approval

(a) Failure by ARINC to enforce any of the provisions of this Contract shall not be construed as a waiver of the requirements of such provisions, or as a waiver of the right of ARINC thereafter to enforce each and every such provision.

(b) ARINC’s approval of documents shall not relieve SELLER from complying with any requirements of this Contract.

(c) The rights and remedies of ARINC in this Contract are in addition to any other rights and remedies provided by law or in equity.

38. Warranty

(a) In addition to SELLER’s standard warranty, SELLER warrants that all Work furnished pursuant to this Contract shall strictly conform to applicable specifications, drawings, samples, descriptions, and other requirements of this Contract and be free from defects in design, material, and workmanship. All warranties shall survive inspection, test and acceptance of, and payment for, the Work. All warranties shall run to ARINC and its successors, assigns, and customers. The warranty shall extend for a period of one (1) year after ARINC’s final acceptance unless a different period is set forth elsewhere in this Contract. If any nonconformity of the Work appears within that time, SELLER shall promptly repair, replace, or reperform the Work, at ARINC’s option. Transportation of replacement Work, return of nonconforming Work, and repeat performance of Work shall be at SELLER’s expense. Work required to be corrected or replaced shall be subject to this provision and the Inspection and Acceptance provision of this Contract in the same manner and to the same extent as Work originally delivered under this Contract. If repair, replacement, or reperformance of Work is not timely, ARINC may elect to return the nonconforming Work or repair, replace Work, or reprocure the Work at SELLER’s expense.

(b) SELLER further warrants that all software, firmware, and hardware (products) provided by SELLER, having date-dependent functionality containing or calling on a calendar function to process date and time data, will accurately process the date and time data (including, but not limited to, inputting, storing, manipulating, comparing, calculating,
updating, displaying, outputting, and transforming such dates and data).

(1) In the event of a discovery of any date-dependent functionality noncompliance, the discovering party shall notify the other party within five (5) business days. At ARINC’s option, the noncompliant products shall be repaired or replaced by SELLER within ten (10) business days of such notice at no cost to ARINC. The date-dependent functionality warranty shall run to ARINC and its successors, assigns, and customers, and shall extend indefinitely after ARINC’s final acceptance.

(2) Nothing in this provision shall be construed to limit any other rights under this Contract, at law or in equity that ARINC may have with respect to date-dependent functionality compliance.

39. Suspect / Counterfeit Items

(a) Seller represents and warrants that Item(s) supplied by Seller are not “Suspect/Counterfeit”. Seller’s warranty against counterfeit items shall survive any termination or expiration of this Contract, Agreement or Order.

(b) A “Counterfeit” item is an item, or any component thereof, produced, altered or otherwise misrepresented to resemble another item, or any part thereof, without authority or right to do so; including but not limited to, any item that is produced or altered to result in Buyer being misled or defrauded through the presentation to Buyer of such item as original, new, genuine or otherwise from a source other than the actual source of such item. Counterfeit items also include items that have been re-worked, re-marked, re-labeled, repaired, refurbished, or otherwise modified from OEM design but are represented as OEM authentic or as new or any parts that are designated as suspect by the U.S. Government, such as parts listed in alerts published by the Defense Contract Management Agency under the Government-Industry Data Exchange Program (GIDEP).

(c) If Buyer, in its sole discretion, determines that any items or components received from Seller are, or may be, Suspect/Counterfeit (“Suspected Counterfeit Parts”), Buyer shall notify Seller in writing of such determination. Seller agrees that within ten (10) days after Seller’s receipt of such notice, Seller shall remit to Buyer all payments previously made to Seller for such Suspected Counterfeit Parts. Alternatively, the Buyer may elect to have the Seller offer a replacement item in lieu of remitting all previous payments associated with Suspect/Counterfeit Items.

(d) Seller further agrees that it shall indemnify, defend, and hold harmless Buyer from and against any claims, actions, proceedings, judgments, penalties, fines and/or other losses of any kind arising out of or in connection with any such Suspected Counterfeit Parts. Seller shall be liable for all costs incurred by Buyer to remove and replace the suspect/counterfeit parts, including without limitation Buyer’s external and internal costs of removing such counterfeit parts, of reinserting replacement parts and of any testing necessitated by the reinstatement of replacement goods after counterfeit parts have been replaced.

(e) Prior to Seller’s acquisition of any items, or components thereof, that will be included in any transaction between Seller and Buyer, Seller shall flow down the requirements of this Article to all entities from which it receives such items, or components thereof, and shall be fully liable to Buyer for all such entities’ compliance with such requirements.
