(a) This Contract is ARINC’s offer to SELLER. SELLER’s signature on the Contract, acknowledgment, acceptance of payment, or commencement of performance, shall constitute SELLER’s unqualified acceptance of this Contract. SELLER’s acceptance of this Contract creates a binding Contract between ARINC and SELLER, which shall be governed by the provisions of this Contract.

(b) This Contract integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the Parties.

(c) Additional or differing terms or conditions proposed by SELLER or included in SELLER’s acknowledgment hereof are hereby objected to by ARINC and have no effect unless accepted in writing by ARINC.

2. Allowable Cost and Payment

(a) Invoicing. If the Contract is with an educational institution, FAR Subpart 31.3 shall apply; and if with a nonprofit organization other than an educational institution, FAR Subpart 31.7 shall apply. The SELLER may submit to the ARINC Purchasing Representative, in such form and reasonable detail a statement of the claimed allowable cost for performing this Contract.

(3) Payments made thirty (30) days or more after the close of a period shall not be included until the SELLER actually makes the payment. Accrued costs for such contributions that are paid less often than quarterly shall be excluded from indirect costs for payment purposes until the SELLER actually makes the payment.

(4) Notwithstanding the audit and adjustment of invoices or vouchers under paragraph (g) below, allowable indirect costs under this Contract shall be obtained by applying indirect cost rates established in accordance with paragraph (d) below.

(5) Except as otherwise expressly provided to the contrary in these provisions or in the schedule of this Contract, any statements in specifications or other documents incorporated in this Contract by reference designating performance of services or furnishing of materials at the SELLER’s expense or at no cost to ARINC shall be disregarded for purposes of cost reimbursement under this clause.

d) Final indirect cost rates. ARINC shall reimburse SELLER on the basis of final annual indirect cost rates and the appropriate bases established by SELLER and the government in effect for the period covered by the indirect cost rate proposal. Such rates and bases shall not change any monetary ceiling, contract obligation, or specific cost allowance or disallowance provided for in this Contract. The rates and bases shall be deemed incorporated into this Contract upon execution.

(e) Billing rates. There shall be included as allowable indirect costs such overhead rates as may be established by SELLER and the cognizant government agency in accordance with the principles of the Federal Acquisition Regulation and applicable FAR Supplement. (h) Final payment.

(1) The SELLER shall submit a completion invoice or voucher, designated as such, promptly upon completion of the Work, but no later than one (1) year (or longer, as ARINC may approve in writing) from the completion date. (b) The Schedule specifies the amount presently available for payment by ARINC and allotted to this Contract, the items covered, and the period of performance that the allotted amount is estimated to cover. The Parties contemplate that ARINC will from time to time allot additional funds to the Contract up to the full estimated cost specified in the Schedule, inclusive of any fee. The SELLER agrees to perform, or have performed, Work on the Contract up to the point at which the total amount, including fee, paid and payable by ARINC under the Contract approximates but does not exceed the total amount actually allotted by ARINC to the Contract.

(c) The SELLER shall notify ARINC in writing whenever it has reason to believe that the costs it expects to incur under this Contract plus allocable fee in the next sixty (60) days, when added to all costs previously incurred and allocable fee, will exceed seventy-five percent (75%) of the total amount then allotted to the Contract. The notice shall state the estimated amount of additional funds required to continue performance for the period specified in the Schedule.

(d) Sixty (60) days before the end of the period specified in the Schedule, the SELLER shall notify ARINC in writing of the estimated amount of additional funds, if any, required to continue timely performance under the Contract or for any further period specified in the Schedule or otherwise agreed upon, and when the funds will be required.

(e) If, after notification, additional funds are not allotted by the end of the period specified in the Schedule or another agreed-upon date, upon the SELLER’s written request, ARINC will terminate this Contract on that date in accordance with the provisions of the Termination clause of this Contract (FAR 52.249-6). If the SELLER estimates that the funds available will allow it to continue to discharge its obligations beyond that date, it may specify a later date in its request, and ARINC, in its discretion, may terminate this Contract on that later date.

(f) Except as required by other provisions of this Contract, specifically cited and stated to be an exception to this clause:

(1) ARINC is not obligated to reimburse the SELLER for costs incurred plus allocable fee in excess of the total amount allotted to this Contract; or, if no allotment of funds is set forth in this Contract, the estimated cost and fee set forth in the Schedule; and

(2) The SELLER is not obligated to continue performance under this Contract (including actions under the Termination clause of this Contract.
(FAR 52.249-6)) or otherwise incur costs plus allocable fee in excess of the amount then allotted to the Contract, until ARINC notifies the SELLER in writing that the amount allotted or the estimated amount has been increased and specifies an increased amount, which shall then constitute the total amount allotted to or estimated for this Contract.

(g) The estimated cost shall be increased to the extent that the amount allotted to the Contract exceeds the estimated cost specified in the Schedule.

(h) No notice, communication, or representation in any form other than that specified in subparagraph (f)(2) above, or from any person other than the ARINC Purchasing Representative, shall affect the amount allotted to this Contract. In the absence of the specified notice, ARINC is not obligated to reimburse the SELLER for any costs or allocable fee in excess of the total amount allotted by ARINC to this Contract, whether incurred during the course of the Contract or as a result of termination.

(i) When and to the extent that the amount allotted to the Contract is increased, any costs plus allocable fee the SELLER incurs before the increase that are in excess of the amount previously allotted shall be allocable to the same extent as if incurred afterward, unless ARINC issues a termination or other notice and directs that the increase is solely to cover termination or other specified expenses.

(j) Change orders shall not be considered an authorization to exceed the amount allotted specified in the Schedule, unless they contain a statement increasing the amount allotted.

(k) Nothing in this clause shall affect the right of ARINC to terminate this Contract. If this Contract is terminated, ARINC and the SELLER shall negotiate an equitable distribution of all property produced or purchased under the Contract, based on the share of costs incurred by each.

(l) If ARINC does not allot sufficient funds to allow completion of the Work, the SELLER shall be entitled to a percentage of the fee specified in the Schedule equaling the percentage of completion of the Work contemplated by this Contract, not to exceed the funds in fact allotted to the Contract.

(m) At the time that the total funds allotted under this Contract equal the full estimated cost inclusive of fee specified in the Schedule, this Limitation of Funds clause no longer shall apply, but then the Limitation of Cost clause of this Contract (FAR 52.232-20) shall apply.

23. Limitation of Liability

(a) In no event shall either SELLER or ARINC be liable to the other for any indirect, incidental or consequential damages arising out of or relating to this Agreement, regardless of the legal theory under which such damages are sought, and even if the parties have been advised of the possibility of such damages or loss.

(b) Each Party shall indemnify and hold harmless the other, its officers, directors, employees and agents, against and from any liability, loss, damage, cost and expense (including attorneys’ fees and costs of litigation) arising out of or in connection with any claim or action which any third party may file or threaten to file against either Party or its officers, directors, employees or agents arising out of, or resulting directly from, the negligent acts or omissions or the willful misconduct of it or its employees, directors, officers, representatives, and agents in the course of its performance of its obligations under this Agreement. (f) The prices stated in the contract are firm, fixed prices in United States dollars.

29. Precedence

Any inconsistencies in this Contract shall be resolved in accordance with the following (in descending order of precedence): (1) face of the Purchase Order, release document or schedule (which may include continuation sheets), as applicable, including any special terms and conditions; (2) any master agreement, such as corporate, sector, or blanket agreements; (3) these General Provisions; and (4) Statement of Work.

30. Priority Rating

If so identified, this Contract is a “rated order,” certified for national defense use, and the SELLER shall follow all the requirements of the Defense Priorities and Allocation System Regulation (15 C.F.R. Part 700).

31. Quality Control System

Unless this Contract contains other specific quality requirements,

(a) SELLER shall provide and maintain a quality control system to an industry-recognized quality standard for the Work covered by this Contract.

(b) Records of all quality control inspection work by SELLER shall be kept complete and made available to ARINC and its customers during the performance of this Contract and for such longer periods as may be specified.

(c) ARINC, customer, and regulatory authorities will have access to all quality management system documentation upon request.

(d) The supplier may be required to submit to initial and follow-up audits of their quality management system by ARINC or regulatory authorities to become, or remain, an approved supplier.

(e) For suppliers manufacturing items to ARINC or customer-provided design data or suppliers providing Aerospace related products/services, the following requirements shall apply, where appropriate:

   (1) If the supplier determines during production the product (intended for use or delivery to ARINC) does not conform to requirements, this product shall be identified and controlled. The supplier shall provide timely notification to ARINC regarding the nonconforming product.

   (2) If the supplier determines at any time after delivery of product to ARINC the product does not conform to requirements, the Seller shall notify ARINC within 24 hours of the nonconforming product.

   (3) If the supplier determines during inspection the product (intended for use or delivery to ARINC) does not conform to requirements, this product shall be identified and controlled. The supplier shall hold the product until dispositioned and approved by ARINC.

   (4) Supplier shall provide notification to ARINC of any change in product design, materials, or production processes from those originally specified or quoted.

   (5) Supplier shall provide notification to ARINC of any change in product design, materials, or production processes from those originally specified or quoted.

   (7) Supplier shall flow down to the supply chain the applicable requirements including customer requirements and key characteristics.

(f) Where a supplier is designing hardware, ARINC shall participate in all design review activities and reserves the right to approve preliminary designs prior to proceeding to detailed design and final designs prior to proceeding to fabrication.

(g) For design, development, or manufacturing work affecting high-value, safety critical systems, ARINC may require that the supplier be certified to AS9100, ISO 9001, or an FAA certificated quality system under FAR Part 145 or FAR Part 21.

(h) ARINC shall participate in any technical interchange meetings where the supplier is presenting information to our customers.

32. Release of Information

Except as required by law, no public release of any information, or confirmation or denial of same, with respect to this Contract or the subject matter hereof, will be made by SELLER without the prior written approval of ARINC.

33. Source Surveillance

In addition to inspections as otherwise provided in this Contract, and at no increase in Contract price, ARINC may assign product assurance representatives to SELLER’s facilities to conduct and maintain surveillance as necessary to ensure quality and reliability. SELLER likewise shall reserve such right to ARINC with respect to SELLER’s lower-tier subcontractors. If such examination is made, SELLER shall provide, and require its subcontractors to provide, such representatives with reasonable facilities, equipment, and unescorted access (except in areas where proprietary processes or data are located, in which case access shall be on an escorted basis) to all areas essential to the proper conduct of the above described activity.
34. Subcontracts

(a) If this Contract is primarily for the purpose of furnishing services, no subcontract shall be made by the SELLER with any other Party for furnishing all or substantially all of the Work or services herein contracted for without the advance written approval of ARINC; however, this provision shall not be construed to require the approval of contracts of employment between the SELLER and personnel assigned for services hereunder.

(b) The SELLER shall give ARINC immediate written notice of any action or suit filed and prompt notice of any claim made against the SELLER by any subcontractor or vendor that, in the opinion of the SELLER, may result in litigation related in any way to this Contract, with respect to which the SELLER may be entitled to reimbursement from ARINC.

(c) No subcontract placed under this Contract shall provide for payment on a cost-plus-a-percentage-of-cost-basis, and any fee payable under cost-reimbursement, lower-tier subcontracts shall not exceed the fee limitations in paragraph 15.404-4(c)(4) (formerly 15.903(d)) of the FAR.

35. Survivability

If this Contract expires, is completed, or is terminated for default or convenience, SELLER shall not be relieved of those obligations contained in this Contract for the following provisions:

(a) Allowable Cost and Payment
   Applicable Laws
   Export Control Compliance
   Independent Contractor Relationship
   Confidentiality
   Insurance and Liability to Third Parties
   Intellectual Property Infringement
   Limitation of Liability
   Release of Information
   Warranty

(b) Those U.S. Government flowdown provisions that, by their nature, should survive.

36. Timely Performance

(a) Time is of the essence in this Contract. SELLER’s timely performance is a critical element of this Contract.

(b) Unless advance shipment has been authorized in writing by ARINC, ARINC may store, at SELLER’s expense, or return, shipping charges collect, all Work received in advance of the scheduled delivery date.

(c) If SELLER becomes aware of difficulty in performing the Work, SELLER shall promptly notify ARINC, in writing, giving pertinent details. This notification shall not change any delivery schedule.

(d) In the event of a termination for convenience or change, no claim will be allowed for any manufacture or procurement in advance of SELLER’s normal flow time unless ARINC has given prior written consent.

37. Waiver and Approval

(a) Failure by ARINC to enforce any of the provisions of this Contract shall not be construed as a waiver of the requirements of such provisions, or as a waiver of the right of ARINC thereafter to enforce each and every such provision.

(b) ARINC’s approval of documents shall not relieve SELLER from complying with any requirements of this Contract.

(c) The rights and remedies of ARINC in this Contract are in addition to any other rights and remedies provided by law or in equity.

38. Warranty

(a) In addition to SELLER’s standard warranty, SELLER warrants that all Work furnished pursuant to this Contract shall strictly conform to applicable specifications, drawings, samples, descriptions, and other requirements of this Contract and be free from defects in design, material, and workmanship. All warranties shall survive inspection, test and acceptance of, and payment for, the Work. All warranties shall run to ARINC and its successors, assigns, and customers. The warranty shall extend for a period of one (1) year after ARINC’s final acceptance unless a different period is set forth elsewhere in this Contract. If any nonconformity with the Work appears within that time, at ARINC’s option, SELLER shall promptly repair, replace, or reperform the Work. Transportation of replacement Work and return of nonconforming Work and repeat performance of Work shall be at SELLER’s expense. Work required to be corrected or replaced shall be subject to this provision and the Inspection and Acceptance provision of this Contract (FAR 52.246-3 and 52.246-5) in the same manner and to the same extent as Work originally delivered under this Contract. If repair or replacement or reperformance of Work is not timely, ARINC may elect to return the nonconforming Work or repair, replace Work, or reprocure the Work at SELLER’s expense.

(b) SELLER further warrants that all software, firmware, and hardware (products) provided by SELLER, having date-dependent functionality containing or calling on a calendar function to process date and time data, will accurately process the date and time data (including, but not limited to, inputting, storing, manipulating, comparing, calculating, updating, displaying, outputting, and transforming such dates and data).

(1) In the event of a discovery of any date-dependent functionality noncompliance, the discovering party shall notify the other party within five (5) business days. At ARINC’s option, the noncompliant products shall be repaired or replaced by SELLER within ten (10) business days of such notice at no cost to ARINC. The date-dependent functionality warranty shall run to ARINC and its successors, assigns, and customers, and shall extend indefinitely after ARINC’s final acceptance.

(2) Nothing in this provision shall be construed to limit any other rights under this Contract, at law or in equity that ARINC may have with respect to date-dependent functionality compliance.
39. Suspect/Counterfeit Items

(a) Seller represents and warrants that Item(s) supplied by Seller are not “Suspect/Counterfeit”. Seller’s warranty against counterfeit items shall survive any termination or expiration of this Contract, Agreement or Order.

(b) A “Counterfeit” item is an item, or any component thereof, produced, altered or otherwise misrepresented to resemble another item, or any part thereof, without authority or right to do so; including but not limited to, any item that is produced or altered to result in Buyer being misled or defrauded through the presentation to Buyer of such item as original, new, genuine or otherwise from a source other than the actual source of such item. Counterfeit items also include items that have been re-worked, re-marked, re-labeled, repaired, refurbished, or otherwise modified from OEM design but are represented as OEM authentic or as new or any parts that are designated as suspect by the U.S. Government, such as parts listed in alerts published by the Defense Contract Management Agency under the Government-Industry Data Exchange Program (GIDEP).

(c) If Buyer, in its sole discretion, determines that any items or components received from Seller are, or may be, Suspect/Counterfeit (“Suspected Counterfeit Parts”), Buyer shall notify Seller in writing of such determination. Seller agrees that within ten (10) days after Seller’s receipt of such notice, Seller shall remit to Buyer all payments previously made to Seller for such Suspected Counterfeit Parts. Alternatively, the Buyer may elect to have the Seller offer a replacement item in lieu of remitting all previous payments associated with Suspect/Counterfeit Items.

(d) Seller further agrees that it shall indemnify, defend, and hold harmless Buyer from and against any claims, actions, proceedings, judgments, penalties, fines and/or other losses of any kind arising out of or in connection with any such Suspected Counterfeit Parts. Seller shall be liable for all costs incurred by Buyer to remove and replace the suspect/counterfeit parts, including without limitation Buyer’s external and internal costs of removing such counterfeit parts, of reinserting replacement parts and of any testing necessitated by the reinstatement of replacement goods after counterfeit parts have been replaced.

(e) Prior to Seller’s acquisition of any items, or components thereof, that will be included in any transaction between Seller and Buyer, Seller shall flow down the requirements of this Article to all entities from which it receives such items, or components thereof, and shall be fully liable to Buyer for all such entities’ compliance with such requirements.

40. Equal Opportunity

(a) The requirements of 41 CFR 60-300.5 are incorporated herein by reference and apply to any PO/Subcontract that exceeds $100,000.

This contractor and subcontractor shall abide by the requirements of 41 CFR 60-300.5(a). This regulation prohibits discrimination against qualified protected veterans, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

41. Privacy and Data Protection

(a) If Supplier Processes any Personal Data or Confidential Information as part of performing the Services or providing Goods, Supplier agrees to: (a) comply with all applicable laws and regulations, including but not limited to the EU General Data Protection Regulation (GDPR), and (b) for Personal Data Processing, sign ARINC’s separate addendum supplementing this PO regarding compliance with data protection law, including the General Data Protection Regulation.

(b) “Processing” means any operation or set of operations that is performed on Personal Data, whether or not by automated means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination, or otherwise making available, alignment or combination, restriction, erasure, or destruction. “Process”, “Processes” and “Processed” will have a corresponding meaning. “Personal Data” means any information relating to an identified or identifiable natural person (“Data Subject”). An identifiable natural person is one who can be identified, directly or indirectly, in particular by referencing an identifier such as a name, an identification number, location data, an online identifier, or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural, or social identity of that natural person.
